A Message from our Pastor...

A big welcome to our 2024-2025 Chairman of the Board, Cindy Brandt.

There will not be a General Board meeting in July.

We are about to the time of the year when he most noise is heard as we celebrate the Birthday of our nation. I like it. Well, most of it. I do not so much like the random booms and bangs that occur before and after the 4th. But on the day, it is glorious. Who know that we as a people would celebrate in such a way.

I am glad to be a citizen of the United States of America. I am in tune with those that say, "First God, then Family, and Country. This leaves self on the list only last in the order of things. We like to have others see our patriotism we show with the use of fireworks.

I wonder what would happen if all Christians were to be that loud about God. If not in making noise, maybe in the way that we show God's love in Christ Jesus with our actions toward others.

Have fun and watch the celebrations of being citizens of our great country. Just, please do not forget the number one on the list and attend to our showing others who we are and what we are proud about. That we belong to Jesus the Christ.

Yours,
Rev. Randal
